Work gloves

Clothing Guidelines

- We will be painting on many of our work sites. Please bring clothing and work shoes/boots that you can paint in. Shorts (no short shorts or cut offs). *No halter tops, midriiffs, tank tops, muscle shirts, etc.* You will need work jeans or shorts, t-shirts (*nothing on t-shirts that would take away from your witness for Christ*), underwear, pajamas, tennis shoes or walking shoes, sandals, socks, swim suit (*no bikinis or two piece suits unless midriiffs are completely covered*), sweatshirts, jacket, work gloves, camera, film, and small flashlight. Each missionary must wear tennis shoes or work boots/shoes on the work sites. (*No sandals or flip-flops will be allowed on work sites.*) *Yoga pants must be worn with a shirt to cover below bottom.*

Things Not to Bring

- Bad attitudes, knives, guns, tobacco products, jam boxes or anything that is questionable (if you have to ask, don't bring it). Please consider taking the challenge of not bringing a cell phone or music player along if they distract from your worshipful experience at TCMT.

Money

- All expenses for food and lodging are covered. Entrance fees to activities will be paid if it works out that we can attend such places. If for some reason we have an activity that would not be covered, you will be notified in advance. An offering will be taken each night for mission emphasis.

Please Note

- All Youth Missionaries are asked to be a part of all activities. Local Missionaries are expected to sleep in the same quarters as our traveling Guest Missionaries. NO Youth Missionary will be allowed to drive a vehicle until the Mission Trip is over and they have checked out. Keys will be checked in upon arrival. Youth may not ride in vehicles not previously approved by TCMT staff. Adult leaders are responsible for the supervision of their youth once they arrive back from work sites! Drivers must be fully insured.
